Selby Town Council (the Council) reserves the right to grant the amount requested, grant any amount up to that requested or to refuse any grant application. The Council may also award a grant subject to meeting additional criteria or the satisfactory answers to supplementary questions.

Failure to answer any of the questions on this form or to supply the information required may result in automatic disqualification from any grants.

By signing this form, you are certifying that all answers are true and correct to the best of your knowledge. If any of your responses are found to be untrue the Council reserves the right to take action to reclaim any grant awarded.

All grant funds awarded must only be used for the specific purposes stated in the 12 months following the award. Grant funds awarded must NOT be used for any other purpose. If your organisation finds it unable to use the funds for the purpose stated, the Council reserves the right to reclaim the grant from you.

However, if your organisation finds that it is having genuine difficulties using the funds for the specific purposes stated, please get in touch with the Council. Where appropriate, we will try to agree alternative uses of the funds with you. Only after such a written agreement from the Council is obtained may you use the funds for the alternative uses. It is in your own interest to discuss this with the Council at the earliest opportunity – otherwise the Council reserves the right to reclaim the money back from you.

Your organisation is responsible for acknowledging the contribution made by the Council as stated in your responses, and for meeting the cost of such acknowledgement.

Your organisation **MUST** complete the evaluation form issued by the Council. This form allows the Council to ensure that the funds awarded have been used for the purposes set out in the application form.

If your organisation fails to comply with these terms and conditions, the Council reserves the right to take action to reclaim the amount awarded and to refuse funding in future years.
